

## **Waterfalls: Extend 1-1 Waterfall Classification Worldwide**

1. Download Extend 1-1 Waterfalls PowerPoint from website.
2. Save to PowerPoint Folder.
3. Change the document theme to Slice and the variant to green.
4. On **Slide 1**: Use your name in place of Student Name.
  - a. Delete the bullet preceding your name because, in most cases, a bullet is displayed as the first character in a list consisting of several paragraphs, not just one line of text.
  - b. Resize the picture and move it to an appropriate area on the slide.
5. On **Slide 2**: add bullets to the three paragraphs.
  - a. Insert the picture called Cascade from my website.
  - b. Add in additional design to make this slide better.
6. On **Slide 3**: Add bullets to the two paragraphs.
  - a. Insert the picture called Cataract found on my website.
  - b. Add in additional design to make this slide better.
7. Create an appropriate closing slide using the title slide as a guide.
  - a. Change the subtitle to Natural Wonders and then underline the text.
  - b. Insert the two waterfall pictures: Cascade and Cataract. Size and move all three pictures to appropriate places on the slide.
8. Apply the Drapes transition in the Exciting category to all slides and then change the duration for slide 1 to 3.50 seconds.
9. Click the 'Start From the Beginning' button to start the show from the first slide. Check out the presentation and make sure it looks good.
10. Put your Red Cup up. Save. Minimize until Teacher comes to Grade. Start on assignment 3 while waiting for Mrs. Kratky.
